Dear Families,

We had the pleasure of greeting your children this morning for what we would like to refer to as the 'Second First Day of School'. The staff was as excited as the students as they bounded into the school from both cars and busses. Regardless of the creative facial coverings, you could easily tell that they were smiling from ear to ear.

As Superintendent I could not be more proud of the enthusiasm and excitement that we were all experiencing. The administrative team of Mrs. Miguel, Mrs. Dubois and numerous staff greeting students and parents was especially gratifying knowing the impact of Covid-19 on our educational system and our families. Each of you deserve a pat on the back for your continuing support and keeping your child(ren) engaged in the learning process.

Finally, with the students back full time we would like to thank you for allowing us, the Dighton-Rehoboth School District, to continue the educational choice you have made for your children. As always, please reach out if you have any questions or concerns.

Sincerely,
Dr. Azar
Mr. Pirraglia
